

Interpreting Your AEPA Score Report

1 Status

If you met the scaled score for a subtest, you received a “Passed” status. To pass the entire test, you must receive a “Passed” status for each subtest.

2 Subtest Scaled Score

If you did not meet the minimum passing score for a subtest, your numeric score will be reported and you will receive a “Not Passed” status. Each score is based on your performance on the entire subtest: the number of selected-response questions you answered correctly and/or any performance assignment score(s).

3 Performance Graph

Your performance on each subarea or section of the subtest is indicated by the graphic display. This information may help you understand your areas of strength and weakness. Interpret this information with caution since subareas contain a relatively small number of items.

4 Reporting of Scores

Your scores are automatically reported to the Arizona Department of Education. The Arizona institution(s) listed receive your scores as you indicated during registration.

5 Subtest History

This section lists your status of each subtest and the date you passed the subtest, if applicable. Each subtest you have not yet taken is noted as “Not Yet Taken,” and each subtest you have not yet passed is noted as “Not Yet Passed.”
