

Interpreting Your AEPA Score Report

1 Reporting of Scores

Your scores are automatically reported to the Arizona Department of Education. The Arizona institution(s) listed receive your scores as you indicated during registration.

2 Status

If you meet the passing score for a subtest, you will receive a "Passed" status. To pass the entire test, you must receive a "Passed" status for each subtest.

3 Objective- and Subarea-Level Reporting

This section provides information about the number of selected-response questions associated with each objective and subarea, as well as the percentage of those questions that you answered correctly.

4 Performance Graph

Your performance on each objective is indicated by the graphic display. This information may help you understand your areas of strength and weakness. Interpret this information with caution since each objective includes a relatively small number of items.

5 Subtest History

This section lists your status of each subtest and the date you passed the subtest, if applicable. Each subtest you have not yet taken is noted as "Not Yet Taken," and each subtest you have not yet passed is noted as "Not Yet Passed."
